Northmace Hotel Safety Steam Ironing Centre - Avantgarde

Northmace world leaders in Hotel Ironing Centres.
The professional solution for professional hoteliers.

Northmace invented the Hotel Bedroom Safety Ironing Centre to improve guest experience. Before Northmace ironing centres, hotels struggled to meet guest expectations. Northmace ironing centres are the original, and best available - much copied, never bettered. Designed and manufactured to be safe, intuitive to use, and easy to store.

Cleaning Information

Your Northmace Hotel Safety Iron should only be cleaned with a soft cloth, slightly moistened with water (moist but NOT wet). Do not use abrasive cleaners, and avoid the areas around switches, buttons and the electrical connections. Remember to completely isolate your iron from the electricity supply before attempting to clean it. Then polish dry with a dry soft cloth.
