Cleaning information

Your Northmace Hotel Safety Iron should only be cleaned with a soft cloth, slightly moistened with water (moist but NOT wet). Do not use abrasive cleaners, and avoid the areas around switches, buttons and the electrical connections. Remember to completely isolate your iron from the electricity supply before attempting to clean it. Then polish dry with a dry soft cloth.

Title to the goods does not pass until all monies due to Northmace & Hendon Limited have been paid. Crockery, ingredients, batteries etc. not supplied. Please note that the buyer acknowledges and accepts that it shall have sole responsibility for the disposal, recovery and reuse of any goods or products comprising electrical and electronic products including without limitation any goods provided and any goods to which the Waste Electrical and Electronic Equipment Directive (or any legislation implementing such Directive) relates and the buyer shall be solely responsible for any costs incurred as a result of this.
